[Decision List No. 62]

Week of December 1 through December 5, 1997

## Appeal

Glen M. Jameson, 12/2/97  
[VFA-0345]

Glen M. Jameson filed an Appeal from a determination that the Office of Headquarters Procurement Services (PS) of the Department of Energy (DOE) issued to him on September 17, 1997. In that determination, PS identified a responsive document, but concluded that portions of this document were exempt from mandatory disclosure pursuant to Exemption 4 of the FOIA. In his Appeal, Mr. Jameson contended that the disclosure of the requested information is not likely to impair

the Government's ability to obtain similar information in the future and that its disclosure is not likely to cause substantial harm to the competitive position of the submitter, PAI Corporation. The DOE found that release of the requested information is likely to cause competitive harm to the submitter under Exemption 4. However, the DOE remanded the matter to PS for further segregation and release of possibly non-exempt material. Consequently, the Appeal filed by Mr. Jameson was granted as set forth in the Decision and Order and denied in all other respects.

## Refund Applications

*Atlantic Richfield Company/Major Oil, Inc. K.C. Distributing, Inc., 12/2/97*  
[RF304-15508; RF304-15509]

The DOE found that firms having common ownership had filed applications in the ARCO special refund proceeding without revealing their relationship. The DOE found that the two firms should have been considered together in calculating the amount of their refunds. The DOE rescinded the refunds in part and directed the firms to refund the amount of the excessive refund.

*Philippine Airlines, Inc., 12/5/97*  
[RG272-01075]

The DOE granted an Application for Refund filed on behalf of Philippine Airlines, Inc., in the crude oil overcharge refund proceeding conducted under 10 CFR part 205, Subpart V. The DOE found that Philippine Airlines is the proper party to receive the refund. The Philippine Government had also claimed the refund by arguing that it had owned the stock of Philippine Airlines during the refund period. The DOE found that Philippine Airlines has been in business continually since the refund period and, as a corporation, is entitled to the refund regardless of who owns the corporate stock.
